Dear Kristan,

***Progress Update - August 2023***

Main works construction commenced in May 2023 and Stage 1 works are progressing well, consisting of earthworks, piling, foundations, in-ground services, and construction of the basement slab. The first of two tower cranes has now been installed, in anticipation of Stage 2 works commencing in August to undertake the main structural concrete pours for the building's cores and suspended slabs. Refer to below current image of site.

Sincerely,

Justin Sut
